

## Tyre Fitting Service

We supply and fit all major brands of tyres to all makes and models of motorcycles and scooters at very competitive prices.

Our all inclusive tyre fitting charge includes:-

- wheel removal and re-fitting
- wheel balancing
- fitting of new tyre valves
- detailed wheel condition inspection

You may also bring us your loose wheels if you prefer.

## Puncture Repair & Prevention

In many cases we can “save” your tyre by using an approved “plug type” repair or we can supply and fit a puncture preventative product such as “goop” .

Please call either branch for a very competitive all-inclusive quote.

[Go to the “Workshop” page of our website for contact details or to send an email enquiry and we will contact you.](#)
